

✓ Please cancel claims 10,11, 20 and 21 without prejudice.

✓ Claim 5, line 1, correct "claim 5" to --claim 3--.

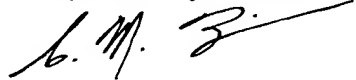

Remarks

All of the rejected claims are canceled by this amendment, and the dependency of claim 5 is corrected.

Approval of the drawing correction proposed in the earlier amending paper is requested.

It is believed the application is now in condition for allowance with claims 2-5,6-9,12-15,17,18, and 22. Such action is earnestly solicited.

Respectfully submitted,
